Study in Lithuania
Lithuania who?

- You have probably heard of Europe. Lithuania is in the eastern/northern bit.
- Lithuania is bigger than Denmark, Switzerland or the Netherlands, but has a lesser population of 2.9 million people.
- Independent from the USSR since 1991, Member of the EU and NATO since 2004.
- About to have the Euro (From 1st of January 2015)
Higher Education in Lithuania

- We have one of the oldest Universities in Northern Europe, Vilnius University (1579)
- Currently:
  - 23 Universities
  - 24 Universities of Applied sciences (Colleges)
  - 5 Scientific valleys
  - BA – 3-4 years, MA – 1.5-2 years, PhD – 4 years.
  - Member of Bologna system (transferable credits, international diplomas)
Lithuanians are

• ..the most educated nation in Europe – 93.4% have secondary education
• 25% of our high school graduates continue their education in Colleges
• 40% continue to Universities
• Half of Lithuanians have a University degree
• 92% speak a foreign language (usually English, Russian or German)
94% of foreign students recommend studying in Lithuania
And there is a growing number of them

In the last 6 years number of full-time foreign students in Lithuania has doubled, and is projected to grow in 2014-2015!
Popular programmes

Most popular programmes among foreign students are:
1. Medicine;
2. Media and visual design
3. Media and communication
4. International business administration
5. International law
6. Cultural heritage
7. Odontology
8. Culture heritage and tourism
9. Business management
10. Easter European studies and research
Why?
Because of value, quality and experience.
Value

- Good value for money – BA courses start from 2500 EUR
- Affordable accommodation – from student housing to studio apartments downtown
- Public transport ~30 EUR (monthly ticket)
- Two-course meal at a restaurant from 5 EUR
