

CORNER HOTEL

Accommodation for students, and more

A long-term accommodation offer at Corner Hotel, designed for students, exchange programme participants, and representatives of educational institutions.

Naujamiestis, Vilnius

Why choose **CORNER** HOTEL

We want to be a long-term partner who takes care of accommodation, so your students and staff can focus on studies or work — not on housing logistics.

1

Strategic location

Naujamiestis — just a short walk from the city centre, universities, and transport hubs.

2

No household hassle

Bedding, towels, cleaning, and utilities are all taken care of — students just need to bring a suitcase.

3

One point of contact

From the first agreement to check-out — one dedicated team, less administrative burden for your institution.

4

Flexible accommodation

Individual or group accommodation solutions, tailored to the length of the semester or programme.

5

One invoice

A clear, known-in-advance monthly fee — convenient for budgeting and billing with your institution.

6

24/7 front desk

Care and assistance around the clock — important for parents and the sending institution.

Room type offered

Deluxe Room

In this newly furnished room you'll find not only a comfortable double bed, but also a soft sofa and a separate work area — a great choice for both longer study periods and hosting guests.

CORNER HOTEL

Living, not just a place to sleep

Corner Hotel's common areas are designed so students can work, prepare for lectures, or simply socialise with other residents — not just return to their room to sleep.

- Cosy common areas on the ground floor for work and leisure
- Corner Bistro restaurant offering breakfast and daily lunch
- A place to meet classmates or host guests
